To the extent the Company receives such rights, the Company hereby assigns and delegates all such rights to the Manager. If the Company, as a holder of securities, is presented with the opportunity or request to make Follow-On

Investments, the Company may make such Follow-On Investments; provided, however, the Manager may, in its sole discretion, organize one or more additional entities with additional members for the purpose of making such an investment and may extend any investment opportunity to the Members at its own discretion. All decisions related to the exercise of these rights will belong to the Manager and will be made at the Manager's sole discretion. The Members acknowledge and agree that the rights described in this Section 4.6 are not actual rights or entitlements exercisable by the Company or by any Member of the Company. Each Member waives any right or remedy it may have in relation to the Manager's exercise of these rights on behalf of the Company. No action or inaction by the Manager with respect to any Follow-On Investment can be deemed to adversely impact any rights or entitlements vested in the Member by virtue of their beneficial ownership in the Company. Notwithstanding any other provision herein, the Manager may create a separate class or series of Interests to exercise any Follow-On Investment rights by amending this Agreement and shall not require the consent of any Member so long as the Members at such time retain the indirect rights to the original Company Investment acquired by their Capital Contributions, subject to the terms of this Agreement.

# ARTICLE V.

## DISTRIBUTIONS

### 1. Distributions.

Except as specifically provided otherwise in this Agreement, distributions shall be made at such time(s) as the Manager may determine.

Distributions shall initially be notionally apportioned among the Members (including the Manager in its capacity as a Member, if applicable) in proportion to their relative Percentage Interests. The amount apportioned to each Member shall be distributed as follows:

- a. first, 100% to such Member until distributions to such Member on a cumulative basis pursuant to this clause (a) equal such Member's Capital Contributions; and
- b. thereafter, according to such Member's Carried Interest Allocation.

### 2. Reserves and Working Capital.

The Manager may determine that a reserve be set aside for working capital and contingencies.

### 3. Advances to Pay Taxes.

Subject to the existence of sufficient Net Cash Flow, the Company shall distribute cash to each Member as provided in this Section prior to April 15 following the close of each calendar year if (a) the federal and state income taxes that will be owed by such Member with respect to such year on taxable income of the Company allocated to such Member pursuant to this Agreement exceed (b) the cumulative amount of distributions previously made to such Member pursuant to this Article (other than this Section) during such year. In such case, the Company shall distribute cash to such Member in an amount equal to such excess. Any distribution made to a Member pursuant to this Section shall be treated as an advance of future amounts otherwise distributable to such Member pursuant to this Article (excluding this Section) and shall be recouped from the first of such future distributions. In determining the amount of tax a Member will owe for such year under this Section, it will be assumed that such Member is an individual subject to a combined federal, state, and/or local income tax at the highest marginal rate for ordinary income and capital gains of

individuals resident in the state in which the Company's principal place of business is located.

4. Assignment of Distributions.

The Manager may, in its sole discretion, assign to one or more Persons or waive all or any portion of any distribution made to it under Section 5.1. For the avoidance of doubt any expenses relating to brokerage commissions, escrow fees, clearing and settlement charges, custodial fees, and any other costs relating to the transfer of Portfolio Company Securities or other assets to the Members following a Liquidity Event will be paid by the Company prior to any distributions. The amount of assets that are distributable to the Members will be net of those expenses. In the Manager's sole discretion, the Manager may agree with any Member to adjust the distribution percentages described in Section 5.1.

5. Form of Distribution.

Distributions pursuant to this Article V may be comprised of (i) Portfolio Company Securities, or (ii) Net Cash Flow or other securities if and to the extent that, in connection with a Liquidity Event, the Company receives Net Cash Flow or other securities in exchange for Portfolio Company Securities. Interim distributions will be made at times as the Manager determines in its sole discretion. Notwithstanding the foregoing, no distribution of securities will be made to any Member to the extent such Member would be prohibited by applicable law from holding those securities. Unless otherwise agreed to by the Manager, distributions will be made to each Member's respective brokerage account, provided that any distribution of Net Cash Flow may, in the sole discretion of the Manager, be made, in whole or in part, to the account from which the attributable Capital Contribution was paid.

### 2. Allocation of Net Profits and Net Losses on Assignment of an Interest.

The Net Profits or Net Losses allocable to any Interest which may have been issued, redeemed, or assigned during any year shall be allocated on the basis of the results of Company operations during the period in which the Member associated with such Interest was recognized as the owner thereof, as if the Company books had been closed on the date of issuance, redemption, or assignment.

### 1. Exculpation.

No Covered Person shall be liable to any Member or the Company for any loss, damage, or claim incurred by reason of any action or omission taken by such Covered Person if such act or omission was taken without gross negligence, intentional misconduct, or fraud. A Covered Person shall be fully protected in relying in good faith upon the records of the Company and upon information, opinions, reports, or statements (including financial statements and information, opinions, reports, or statements as to the value and amount of the assets, liabilities, Net Profits, or Net Losses of the Company or the value and amount of assets or reserves or contracts, agreements, or other undertakings that would be sufficient to pay claims and obligations of the Company or to make reasonable provision to pay such claims and obligations, or any other facts pertinent to the existence and amount of assets from which distributions to Members or creditors might properly be paid) presented by any attorney, independent accountant, appraiser, or other expert or professional employed or engaged by or on behalf of the Company or any other Person selected in good faith by or on behalf of the Company, in each case as to matters that such relying Covered Person reasonably believes are within such other Person's professional or expert competence. The preceding sentence shall in no way limit any Covered Person's right to rely on information to the extent provided in § 18-406 of the Act.

### 2. Indemnification.

- a. **Indemnification of Covered Persons.** To the fullest extent allowed by the laws of the State of Delaware both as now in effect and as hereafter adopted, the Company shall indemnify and hold harmless each Covered Person from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, proceedings, investigations (internal or otherwise), costs, expenses, and disbursements of any kind or nature whatsoever (including, without limitation, all costs and expenses of defense, appeal, and settlement of any and all proceedings involving such Covered Person and all costs of investigation (internal or otherwise) in connection therewith) that may be imposed on, incurred by, or asserted against such Covered Person in any way relating to or arising

out of, or in connection with, or alleged to relate to or arise out of, or in connection with any action or inaction on the part of such Covered Person that relates in any way to the Company or the business or assets thereof; provided that the indemnification obligations in this Section shall not apply to the portion of any liability, loss, obligation, damage, penalty, cost, expense, or disbursement that results from such Covered Person's gross negligence, intentional misconduct, or fraud. The indemnity set forth herein shall not apply to an internal dispute among the Covered Persons to which the Company is not a party.

- b. **Advances of Fees and Expenses.** The Company shall advance to a Covered Person legal expenses and other costs incurred as a result of legal action initiated against such Covered Person, if the following conditions are satisfied: (a) the legal action relates to the performance of duties or services by the Covered Person on behalf of the Company; and (b) the Covered Person undertakes to repay the advanced funds to the Company in cases in which such Covered Person would not be entitled to indemnification pursuant to this Section.
- c. **Entitlement to Indemnity.** The provisions of this Section shall continue to afford protection to each Covered Person regardless of whether such Covered Person remains in the position or capacity pursuant to which such Covered Person became entitled to indemnification under this Section and shall inure to the benefit of the heirs, legal representatives, successors, and assigns of such Covered Person.
- d. **Funding of Indemnification Obligation.** Notwithstanding anything contained herein to the contrary, any indemnity by the Company relating to the matters covered in this Section shall be provided out of and to the extent of Company assets only, and no Member (unless such Member otherwise agrees in writing) shall have personal liability on account thereof or shall be required to make additional Capital Contributions to help satisfy such indemnity by the Company.
- e. **Savings Clause.** If this Section or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify each Covered Person pursuant to this Section to the fullest extent permitted by any applicable portion of this Section that shall not have been invalidated and to the fullest extent permitted by the laws of the State of Delaware.

- f. **Amendment.** The provisions of this Section shall be a contract between the Company, on the one hand, and each Covered Person who served in such capacity at any time while this Section is in effect, on the other hand, pursuant to which the Company and each such Covered Person intend to be legally bound. No amendment, modification, or repeal of this Section that adversely affects the rights of a Covered Person to indemnification relating to acts or omissions occurring prior to such amendment, modification, or repeal shall apply in such a way as to eliminate or reduce such Covered Person's entitlement to indemnification for such acts or omission without the Covered Person's prior written consent.

# ARTICLE XI.

## TRANSFER OF INTERESTS

1. Restrictions on Transfer; Involuntary Transfers; Voluntary Transfers; Status of Assignees.
  - a. **General Restrictions on Transfers.** Except as explicitly provided otherwise in this Agreement, no Member may Transfer all or any portion of his Interest. Any attempted Transfer in violation of this Agreement shall be considered a material breach of this Agreement. Each Member agrees that monetary damages for violation of this Agreement are not an adequate remedy and that any Transfer or attempted Transfer in violation of this Agreement should be enjoined. To the fullest extent permitted by law, any purported assignment of an Interest in violation of this Agreement shall be of no force or effect, and no such assignment shall be made or recorded on the books of the Company.
  - b. **Death, Termination, Bankruptcy, or Incompetency of a Member.** Upon the death, termination of existence, Bankruptcy, or adjudication of incompetency of a Member, the successors, executors, administrators, or legal representatives of such Member may substitute a successor as an Assignee of such Member's Interest and join with such Assignee in making the application to substitute such Assignee as a Substitute Member (but only upon compliance with the conditions contained in *Section 11.1(d)*). Notwithstanding the foregoing, no involuntary assignment shall be recognized unless and until (x) the Company receives such Assignee's name, address, taxpayer identification number, and such other information as the Company may reasonably require for proper administration of tax and other matters; and (y) the Assignee executes and delivers to the Company a counterpart to this Agreement evidencing such Assignee's consent to be bound by all the terms of this Agreement.
  - c. **Permitted Voluntary Transfers.** A Member may voluntarily Transfer all or any portion of his Interest only with the approval of the Manager, which approval may be withheld in the Manager's sole discretion. Notwithstanding the foregoing, no voluntary assignment shall be recognized and the Assignee shall not be admitted as a Substitute Member unless and until (i) the Company receives such Assignee's name, address, taxpayer identification number, and such other

information as the Company may reasonably require for proper administration of tax and other matters; (ii) the Assignee executes and delivers to the Company a counterpart to this Agreement evidencing such Assignee's consent to be bound by all the terms of this Agreement; and (iii) the Manager is satisfied that the Transfer associated with such assignment satisfies the conditions the Manager believes, in its sole discretion, are advisable including, without limitation, that (A) such Transfer would not violate the Securities Act or the laws of any state, notwithstanding such Transfer, the Company shall continue to be classified as a partnership and not as a corporation or association under the Code and appropriate state taxing statutes, such Transfer shall not cause the Company to become a publicly traded partnership under the Code, and (D) such Transfer shall not require the Company to be registered as an investment company under the Investment Company Act of 1940. The Manager may require an opinion of counsel from the transferor confirming (A), (B), (C), and (D) above. All costs related to such Transfer (including attorney's fees) shall be borne by the transferor. If the Transfer satisfies all conditions set forth above and subject to the Manager's approval, a Member may only Transfer the approved portion of his Interest based on a transfer agreement, the form of which has been approved by the Manager, directly signed between such Member and the Substitute Member. All payments related to such Transfer, including all Manager and Company costs of approving and effectuating such Transfer, shall be borne by such Member and the Substitute Member.

- d. **Status of Assignee.** An Assignee shall only be entitled to receive that share of Net Profits, Net Losses, and distributions, and the return of Capital Contribution, to which the assignor would otherwise be entitled with respect to the interest subject to an assignment, and shall not have the rights of a Member under the Act or this Agreement, including without limitation the right to obtain any information on account of the Company's transactions, to inspect the Company's books, or to vote with the Members on, or to grant or withhold consents to or approvals of, any matter. Any Assignee receiving an Interest may be admitted as a Substitute Member only after compliance with Subsection (b) or (c) above, as applicable, and the following terms and conditions have been satisfied: (i) the Manager shall have consented in writing to the assignment and substitution, which consent may be withheld by the Manager for any

reason or no reason (or if there is no Manager, the consent of a Majority in Interest of the Members); (ii) the Assignee shall have assumed the obligations, if any, of the assignor to the Company; and (iii) the assignor and the Assignee shall have complied with such other requirements as the Manager may reasonably impose, including the condition that the Assignee pay such fees as may be reasonable to pay the costs of the Company in effecting such substitution. The admission of a Substitute Member, without more, shall not release the Member originally assigning his Interest from any liability to the Company that may have existed prior to the admission.

# ARTICLE XII.

## DISSOLUTION AND WINDING UP

### 1. Dissolution.

The Company shall be dissolved and its affairs wound up upon the first to occur of the following events:

- a. action by the Manager;
- b. the sale, liquidation, or disposition of substantially all of the assets of the Company;
- c. the sale, exchange, or other disposition by the Company of substantially all of the Portfolio Company Securities for cash or in exchange for Marketable Securities; or
- d. as otherwise may be required by law.

### 2. Effect and Notice of Dissolution.

Upon dissolution of the Company, the Company shall cease carrying on the Company's business, except insofar as may be necessary for the winding up of its business, but the Company shall not terminate and shall continue until the winding up of the affairs of the Company has been completed and a certificate of cancellation has been accepted by the Secretary of State of Delaware for filing.

### 3. Distribution of Assets on Dissolution.

Upon the winding up of the Company, the Manager (or, if there is no Manager then remaining, such other Person(s) designated by a Majority in Interest of the Members) shall take full account of the assets and liabilities of the Company, shall liquidate the assets as promptly as is consistent with obtaining the fair value thereof, and shall apply and distribute the proceeds therefrom in the following order:

- a. first, to creditors (including the Members, if applicable) in satisfaction of liabilities of the Company and the expenses of liquidation;
- b. second, to the setting up of any reserves which the Manager may deem necessary or appropriate for any anticipated obligations or contingencies of the Company arising out of or in connection with the

operation or business of the Company. Such reserves may be paid over by the Manager to an escrow agent or trustee selected by the Manager to be disbursed by such escrow agent or trustee in payment of any of the aforementioned obligations or contingencies and, if any balance remains at the expiration of such period as the Manager shall deem advisable, shall be distributed by such escrow agent or trustee in the manner hereinafter provided; and

- c. third, to Members in accordance with *Section 5.1*. Such distributions shall be in cash or property (which need not be distributed proportionately) or partly in both, as determined by the Manager.

If, at the time of liquidation, the Manager determines that an immediate sale of some or all Company property would cause undue loss to the Members, the Manager may, in order to avoid such loss, defer liquidation.

#### 4. Winding Up and Certificate of Cancellation.

The winding up of the Company shall be completed when all debts, liabilities, and obligations of the Company have been paid and discharged or reasonably adequate provision therefor has been made, and all of the remaining property and assets of the Company have been distributed to the Members. Upon the completion of winding up of the Company, a certificate of cancellation shall be delivered to the Secretary of State of Delaware for filing. The certificate of cancellation shall set forth the information required by the Act.

#### 5. Deficit Capital Accounts.

Notwithstanding anything to the contrary contained in this Agreement, and notwithstanding any custom or rule of law to the contrary, the deficit, if any, in the Capital Account of any Member upon dissolution of the Company shall not be an asset of the Company and such Member shall not be obligated to contribute such amount to the Company to bring the balance of such Member's Capital Account to zero.

## ARTICLE XIII.

### CONFIDENTIALITY

Each Member agrees that he shall keep confidential and shall not disclose, divulge, or use in any manner (other than for Company purposes) any confidential, proprietary, or secret knowledge, data, or information which such Member may obtain from the Company, including without limitation any such information obtained from financial statements, reports, and other materials submitted by the Company to such Member pursuant to this Agreement, or pursuant to visitation or inspection rights granted hereunder, unless such information (a) was in such Member's possession prior to disclosure of such information to such Member by the Company hereunder, (b) was generally known to the public at the time of disclosure of such information to such Member by the Company hereunder, or becomes generally known to the public after such disclosure through no act of such Member, (c) has come into the possession of such Member from a third party who, to such Member's knowledge, is under no obligation to the Company to maintain the confidentiality of such information, or (d) is required to be disclosed or used by such Member by law; provided that in the event such Member is ordered to disclose or use such information pursuant to a judicial or governmental request, requirement, or order, such Member shall promptly, and in any event prior to complying therewith, notify the Company and take commercially reasonable steps to assist the Company in contesting such request, requirement, or order or otherwise protecting the Company's rights.

# ARTICLE XIV.

## MISCELLANEOUS PROVISIONS

### 1. Amendments.

This Agreement may be amended only upon the written approval of the Manager and a Majority in Interest of the Members; *provided, however*, that in the event that such amendment, in the reasonable opinion of the Manager, adversely affects the rights or obligations of a particular Member or Members in a different manner than the other Members, such amendment shall also require the consent of a Majority in Interest of the adversely affected Member(s). The Manager may amend this Agreement without any action by the Members in order to clarify any clerical inaccuracy or ambiguity or reconcile any inconsistency in this Agreement, to add to the representations, duties, or obligations of the Manager or surrender any right or power of the Manager for the benefit of the Members, (iii) to attempt to ensure that the Company is not taxed as a corporation for federal or state income tax purposes and to prevent the Company from becoming classified as a publicly traded partnership, (iv) to delete or add any provision of or to this Agreement required to be deleted or added by the Securities and Exchange Commission or any other federal agency or any state “Blue Sky” official or similar official or in order to be exempt from registration under the Securities Act or the securities laws of any state, (v) to change the name of the Company and to make any modifications to this Agreement to reflect the admission of an additional or substitute manager, (vi) to make any amendment to this Agreement which the Manager deems advisable, provided that such amendment is not adverse to the Members, or which is required by law, (vii) amend the tax allocation provisions to the extent necessary to comply with the Regulations or other authority issued under § 704(b) of the Code, and (viii) to make any amendment that is appropriate or necessary, in the opinion of the Manager, to prevent the Company or the Manager or its directors, officers, or controlling persons from in any manner being subjected to the provisions of the Investment Company Act of 1940 or to prevent any of the Company’s assets from being deemed “plan assets” under regulations adopted under the Employee Retirement Income Security Act of 1974.

### 2. Side Letters.

The Company or the Manager may, without any further act, approval or vote of any Member, enter into side letters or other agreements with one

or more Members that have the effect of establishing rights under, or altering or supplementing, the terms of, this Agreement (each, a “*Side Letter*”); provided, that no such Side Letter or other agreement shall adversely affect the rights of any other Member.

### 3. Advice of Counsel.

Each Member acknowledges and understands that this Agreement and related documents have been prepared by counsel for the Manager and that such counsel has not represented or been engaged to provide services to any other Member or to the Company. Each Member further acknowledges and understands that such counsel or other counsel may hereafter be engaged by the Company or by the Manager to provide legal services and representation as the Manager may determine, and in such event, such counsel or other counsel may concurrently represent the Manager and the Company, and the Manager may execute on behalf of the Company and the Members any consent to such concurrent representation that such counsel or other counsel may request pursuant to the applicable rules of professional conduct for lawyers. Each Member acknowledges and understands that counsel for the Company or any other Member does not represent any Member in the absence of a clear and explicit agreement to that effect between the Member and such counsel with respect to the Company or the Manager, and in the absence of such agreement, such counsel shall owe no duties to any Member (even if such counsel represents such other Member in matters unrelated to the Company). Each Member agrees that in the event of any dispute between any of the Members and the Company, or between any of the Members or the Company, on the one hand, and the Manager or any of its Affiliates represented by counsel for the Company, on the other hand, counsel for the Company may represent the Company or the Manager or such Affiliates, or both, in such dispute to the extent permitted by such rules, and such Member hereby consents to such representation.

### 4. Rights of Creditors and Third Parties.

This Agreement is entered into among the Members for the exclusive benefit of the Company, the Members, and their successors and assignees. This Agreement is expressly not intended for the benefit of any creditor of the Company or any other Person. Except and only to the extent provided by applicable statute, no such creditor or third party shall have any rights under this Agreement or any agreement between the Company and any Member with respect to any Capital Contribution or otherwise.

5. Counterparts.

This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

6. Notices.

All notices, requests, consents, claims, demands, waivers, and other communications hereunder shall be in writing and shall be deemed to have been given (a) when delivered by hand (with written confirmation of receipt); (b) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested); (c) on the date sent by facsimile (with confirmation of transmission) or electronic mail (without receipt of lack of delivery) if sent during normal business hours of the recipient, and on the next business day if sent after normal business hours of the recipient; or (d) on the third day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid. Such communications must be sent to the Members at their addresses set forth in the books and records of the Company or to the Manager or the Company at the Manager's address set forth below (or at such other address for a party as shall be specified in a notice given in accordance with this Section).

8. Litigation Costs.

hereof, or the conduct of the Company's business, the judge may in his discretion require the nonprevailing party or parties to pay the litigation expenses (including without limitation the reasonable attorneys' fees) of the prevailing party or parties.

#### 9. Governing Law.

This Agreement is governed by and construed in accordance with the internal laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of laws of any jurisdiction other than those of the State of Delaware.

#### 10. Binding Effect.

Subject to the provisions of this Agreement relating to transferability, this Agreement is binding upon and shall inure to the benefit of the Members and their respective permitted successors and assigns. The provisions of this Agreement shall be binding upon a Person who hereafter becomes a Member without executing this Agreement if the new Member otherwise complies with the conditions for becoming a Member set forth in this Agreement.

#### 11. Headings; Interpretation.

The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement. For purposes of this Agreement, (a) the words "include," "includes," and "including" are deemed to be followed by the words "without limitation;" (b) the word "or" is not exclusive; (c) the singular includes the plural, and the masculine gender included the feminine and neuter, and vice versa, as the context requires; and the words "herein," "hereof," "hereby," "hereto," and "hereunder" refer to this Agreement as a whole. Unless the context otherwise requires, references herein: (x) to sections, schedules, and exhibits mean the sections of, and schedules and exhibits attached to, this Agreement; (y) to an agreement, instrument, or other document means such agreement, instrument, or other document as amended, supplemented, and modified from time to time to the extent permitted by the provisions thereof; and (z) to a statute means such statute as amended from time to time and includes any successor legislation thereto and any regulations promulgated thereunder. The schedules and exhibits referred to herein shall be construed with, and as an integral part of, this Agreement to the same extent as if they were set forth verbatim herein. This Agreement

shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting an instrument or causing any instrument to be drafted.

## 12. Severability.

If any provision of this Agreement is held to be illegal, invalid, unreasonable, or unenforceable under the present or future laws effective during the term of this Agreement, such provision will be fully severable; this Agreement will be construed and enforced as if such illegal, invalid, unreasonable, or unenforceable provision had never comprised a part of this Agreement; and the remaining provisions of this Agreement will remain in full force and effect and will not be affected by the illegal, invalid, unreasonable, or unenforceable provision or by its severance from this Agreement. Furthermore, in lieu of such illegal, invalid, unreasonable, or unenforceable provision, there will be added automatically as a part of this Agreement a provision as similar in terms to such illegal, invalid, unreasonable, or unenforceable provision as may be possible and be legal, valid, reasonable, and enforceable.

## 13. Waiver.

No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. No waiver by any party shall operate or be construed as a waiver with respect to any failure, breach, or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. No failure to exercise, or delay in exercising, any right, remedy, power, or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

## 14. Additional Documents and Acts; Power of Attorney.

Each Member agrees to promptly execute and deliver to the Company such additional documents, statements of interest and holdings, designations, powers of attorney, and other instruments, and to perform such additional acts, as the Company may determine to be necessary, useful, or appropriate to complete the organization of the Company, to effectuate, carry out and perform all of the terms, provisions, and conditions of this Agreement and the transactions contemplated by this

Agreement, and to comply with all applicable laws, rules, and regulations. Each Member irrevocably constitutes and appoints the Manager or any designee thereof with full power of substitution, as such Member's true and lawful attorney-in-fact, with full power and authority in such Member's name, place, and stead to execute, acknowledge, deliver, swear to, file, and record at all appropriate public offices such documents as may be necessary or appropriate to carry out the provisions hereof, including but not limited to the following:

- a. all certificates and other instruments, including counterparts hereof, and any amendment thereof, that the said attorney-in-fact may deem appropriate to form, qualify, or continue the Company in any jurisdiction in which the Company may conduct business;
- b. all amendments hereto adopted in accordance with the terms hereof and all instruments appropriate to reflect a change or modification of the Company in accordance with the terms hereof, including, without limitation, the admission of new Members or the substitution of Assignees as Substitute Members pursuant to the provisions of this Agreement;
- c. all documents, including assignment documents, necessary to enforce any provision hereof; and
- d. all conveyances and other documents and instruments appropriate to effect the dissolution and termination of the Company.

This appointment shall be deemed to be a power coupled with an interest, and shall survive the Bankruptcy, death, adjudication of incompetence or insanity, or dissolution of any Member giving such power, and the assignment of all or any part of such Member's Interest.

#### 15. Submission to Jurisdiction.

Subject to *Section 14.17* any legal suit, action, or proceeding arising out of or relating to this Agreement shall be instituted in the courts of the State of Delaware, County of New Castle or, if it has or can acquire jurisdiction, in the United States District Court having jurisdiction thereover, and each party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action, or proceeding. Service of process, summons, notice, or other document by certified mail to such party's address set forth herein shall be effective service of process for any suit, action, or other proceeding brought in any such court. The parties irrevocably and

unconditionally waive any objection to the laying of venue of any suit, action, or proceeding in such courts and irrevocably waive and agree not to plead or claim in any such court that any such suit, action, or proceeding brought in any such court has been brought in an inconvenient forum.

16. Waiver of Jury Trial.

Each party acknowledges and agrees that any controversy which may arise under this Agreement is likely to involve complicated and difficult issues and, therefore, each such party irrevocably and unconditionally waives any right it may have to a trial by jury with respect to any legal action arising out of or relating to this Agreement or the transactions contemplated hereby. Each party to this Agreement certifies and acknowledges that (a) no representative of any other party has represented, expressly or otherwise, that such other party would not seek to enforce the foregoing waiver in the event of a legal action, (b) such party has considered the implications of this waiver, such party makes this waiver voluntarily, and (d) such party has been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section.

17. Arbitration.

Any dispute, controversy or claim arising out of or relating to this Agreement, including the formation, interpretation, breach or termination thereof, including whether the claims asserted are arbitrable, will be referred to and finally determined by arbitration in accordance with the JAMS Comprehensive Arbitration Rules and Procedures. The tribunal will consist of one arbitrator. The place of arbitration will be the State of Delaware in the United States of America. The language to be used in the arbitral proceedings will be English. Judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. This clause shall not preclude parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction.

## SPECIAL ALLOCATIONS

The provisions of this Appendix B are intended to comply with the requirements of Regulations §§ 1.704-1(b)(2) and 1.704-2 with respect to Company allocations and maintenance of Capital Accounts.

### 1. Special Allocations.

Capitalized terms used in this Section not otherwise defined in this Agreement have the meanings set forth in the applicable Regulations.

- a. **Qualified Income Offset.** In the event a Member unexpectedly receives any adjustments, allocations, or distributions described in Regulations §§ 1.704-1(b)(2)(ii)(d)(4), (5), or (6), items of Company income (including gross income) and gain shall be specially allocated to the Member in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of the Members as quickly as possible, provided that an allocation pursuant to this Subsection shall be made only if and to the extent that the Member would have an Adjusted Capital Account Deficit after all other allocations provided for in *Article VI* and this *Appendix B* have been tentatively made as if this Subsection were not in this Agreement.
- b. **Gross Income Allocation.** If a Member has a deficit Capital Account as of the last day of any Fiscal Year (determined as if *Section 1(a)* and this Section of this *Appendix B* were not in this Agreement) in excess of the sum of the amount such Member is obligated to restore pursuant to any provision of this Agreement and the amount such Member is deemed to be obligated to restore pursuant to Regulations §§ 1.704-2(g)(1) and 1.704-2(i)(5), then all items of income and gain of the Company (consisting of a pro rata portion of each item of Company income and gain, including gross income) for such Fiscal Year (and, if necessary, for subsequent Fiscal Years) shall be allocated to the Member in the amount of such excess as quickly as possible.

- c. **Minimum Gain Chargeback.** Notwithstanding any other provision of *Article VI* and this *Appendix B*, if there is a net decrease in Partnership Minimum Gain during any Fiscal Year, each Member shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in such amounts that comply with the minimum gain chargeback requirement in Regulations § 1.704-2(f).
- d. **Partner Minimum Gain Chargeback.** Notwithstanding any other provision of *Article VI* and this *Appendix B* except subsection (c) above, if there is a net decrease in Partner Minimum Gain attributable to a Partner Nonrecourse Debt during any Company Fiscal Year, each Member who has a share of the Partner Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Regulations § 1.704-2(i)(5), shall be specially allocated items of Company income and gain for such year (and, if necessary, subsequent years) in such amounts that comply with the partner minimum gain chargeback requirement in Regulations § 1.704- 2(i)(4).
- e. **Nonrecourse Deductions and Partner Nonrecourse Deductions.** Nonrecourse Deductions for any Fiscal Year or other period shall be specially allocated among the Members in proportion to their respective Percentage Interests. Any Partner Nonrecourse

Deductions for any Fiscal Year shall be specially allocated to the Member who bears the economic risk of loss with respect to the Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with Regulations § 1.704-2(i)(1).

## 2. Regulatory Allocation.

The special allocations set forth in this Appendix B (the “*Regulatory Allocations*”) are intended to comply with certain requirements of the Regulations. Notwithstanding any other provisions of *Article VI*, the Regulatory Allocations shall be taken into account in allocating other profits, losses, and items of income, gain, loss, and deduction among the Members so that, to the extent possible, the net amount of such allocations of other profits, losses, and other items and the Regulatory Allocations to each Member shall be equal to the net amount that would

have been allocated to each such Member if the Regulatory Allocations had not occurred.

3. Tax Allocations: Code § 704(c).

In accordance with Code § 704(c) and the Regulations thereunder, income, gain, loss, and deduction with respect to any property contributed to the capital of the Company shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted tax basis of such property to the Company for federal income tax purposes and its fair market value upon contribution. In the event the Book Value of any Company asset is adjusted in accordance with the Regulations, subsequent allocations of income, gain, loss, and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its fair market value in the same manner as under Code § 704(c) and the Regulations thereunder. Any elections or other decisions relating to such allocations shall be made by the Manager in any manner that reasonably reflects the purpose and intention of this Agreement. Allocations pursuant to this Section are solely for purposes of federal, state, and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Net Profits, Net Losses, other items, or distributions pursuant to any provision of this Agreement.

4. Discretionary Powers; Allocation Savings Provision.

The allocations contemplated in this Agreement are intended to allocate Net Profits and Net Losses (and items of income, gain, expense, deduction, or loss that are not included in the computation of Net Profits or Net Losses) to the Members in accordance with their economic interests in the Company as set forth in this Agreement while complying with the requirements of Subchapter K of Chapter 1 of Subtitle A of the Code (particularly § 704 thereof) and the Regulations promulgated thereunder. If, in the opinion of the Manager, the allocation of Net Profits or Net Losses (or any items of income, gain, expense, deduction, or loss allocated hereunder that are not included in the computation of Net Profits or Net Losses) under this Agreement (exclusive of this Section) does not (a) satisfy the requirements of Code § 704 or the Regulations promulgated thereunder; (b) properly take into account any (i) expenditure made by the Company, (ii) assignment of all or part of an Interest of a Member, or

(iii) admission of a new Member; (c) properly reflect or effectuate the economic arrangement of the Members as set forth in this Agreement; (d) preserve the equality between the Capital Accounts of the Members and the amount of the Company's capital reflected on the Company's balance sheet, as computed for book purposes, in accordance with Regulations § 1.704-1(b)(2)(iv)(g); or (e) provide for a given situation or set of circumstances, then, notwithstanding anything to the contrary contained in this Agreement, the Manager shall cause Net Profits and Net Losses (and items of income, gain, expense, deduction, and loss allocated hereunder that are not included in the computation of Net Profits or Net Losses) to be allocated in that manner (and this Agreement is to be deemed amended to that extent) as the Manager determine is required to comply with the foregoing premises and conditions of this Section without materially altering the economic arrangement of the Members reflected in this Agreement or otherwise unfairly discriminating against any Member.
