SUBSCRIPTION AGREEMENT

Dizraptor Fund 1001, LLC

The offering of limited liability companys described herein has not been registered under the Securities Act of 1933, as amended (the “*Securities Act*”), or under any securities laws of any state of the United States or any other jurisdiction. This offering is made pursuant to Rule 506 of Regulation D under Section 4(a)(2) of the Securities Act, which exempts from such registration transactions not involving a public offering. For this reason, these limited liability companys will be sold only to investors who meet certain minimum suitability qualifications described herein.

An investor should be prepared to bear the economic risk of an investment in the Company for an indefinite period of time because the limited liability companys in the Company have not been registered under the Securities Act or under any securities laws of any state of the United States or the laws of any other jurisdiction, and, therefore, cannot be sold unless they are subsequently registered or an exemption from registration is available. There is no obligation of the Company to register the limited liability companys in the Company under the Securities Act or under any securities laws of any state of the United States or the laws of any other jurisdiction. Transfer of the limited liability companys in the Company is also restricted by the terms of the LLC Agreement relating thereto.

All proceedings in connection with the transactions contemplated hereby and all documents and instruments incident to such transactions shall be satisfactory in substance and form to the Manager, the Company, and legal counsel to the Manager when acting on behalf of the Company, if applicable ("*Company Counsel*"), and the Manager, the Company, or Company Counsel shall have received all such counterpart originals or certified or other copies of such documents as the Manager may request.

5. Investor's Representations and Warranties.

In connection with the Investor's purchase of an Interest, the Investor makes the following representations and warranties on which the Manager, the Company, Dizraptor Adviser, LLC (the "*Investment Manager*"), and Company Counsel are entitled to rely:

- a. The Investor has received, read carefully, and understands the Private Placement Memorandum provided by the Company, as amended and/or supplemented from time to time (the "*Memorandum*"), the LLC Agreement, and this Agreement, and has consulted with its own attorney, accountant, or investment adviser with respect to the investment contemplated hereby and its suitability for the Investor. No representations or warranties have been made to the Investor by the Company, the Manager, the Investment Manager, or any agent of said persons, other than as set forth in the Memorandum, the LLC Agreement, and this Agreement.
- b. The Investor is acquiring the Interest solely for the Investor's own account and not directly or indirectly for the account of any other person whatsoever (or, if the Investor is acquiring the Interest as a trustee, solely for the account of the trust or trust account named herein) for investment and not with a view to, or for sale in connection with, any distribution of the Interests. The Investor does not have any contract, undertaking, or arrangement with any person to sell,

transfer, or grant a participation to any person with respect to the Interests.

- c. The Investor has such knowledge and experience in financial and business matters that the Investor is capable of evaluating the merits and risks of an investment in an Interest, and the Investor is able to bear the economic risk of such investment including the risk of complete loss.
- d. The Investor has had access to such information concerning the Company as the Investor deems necessary to enable the Investor to make an informed decision concerning the purchase of an Interest. The Investor has had access to representatives of the Investment Manager and the opportunity to ask questions of, and receive answers satisfactory to the Investor from, such representatives concerning the offering of Interests and the Company generally. The Investor has obtained all additional information requested by the Investor to verify the accuracy of all information furnished in connection with the offering of Interests and evaluate the merits and risks of an investment in an Interest or otherwise relative to the proposed activities of the Company.
- e. The Investor understands that the Interests have not been registered under the United States Securities Act of 1933, as amended (the "*Securities Act*"), or any securities law of any state of the United States or any other jurisdiction, in each case in reliance on an exemption for private offerings.
- f. The Investor is aware that (i) the Investor must bear the economic risk of investment in the Interest for an indefinite period of time, possibly until final winding up of the Company, (ii) because the Interests have not been registered under the Securities Act, there is currently no public market therefor, and it is not anticipated that such a market will ever develop, (iii) the Investor may not be able to avail itself of the provisions of Rule 144 of the Securities Act governing

public resale of restricted securities with respect to the Interest, and (iv) the Interest cannot be sold or otherwise disposed of unless subsequently registered under the Securities Act or an exemption from such registration is available. The Investor understands that the Company is under no obligation, and does not intend, to effect any such registration at any time. The Investor also understands that sales or transfers of the Interests are further restricted by the provisions of the LLC Agreement and, as applicable, securities laws of other jurisdictions and the states of the United States. The Investor has no need for liquidity in connection with its purchase of the Interest and is able to bear the risk of loss of its entire investment in the Interest.

- g. The Investor agrees not to resell or otherwise transfer all or any part of its Interest, except as permitted by law, including, without limitation, any regulations under the Securities Act and the applicable securities acts or similar statutes of the jurisdiction in which the Investor resides or is domiciled, including all regulations and rules of such laws, together with applicable published policy statements, instruments, notices, and blanket orders or rulings of general application (collectively, "*Applicable Securities Laws*"), and the terms of this Agreement and the LLC Agreement. The transfer of an Interest is restricted by and subject to the terms of the LLC Agreement and the consent of the Manager.
- h. The Company is relying on (and the offering of Interests is conditional upon) an exemption from the requirement to provide the Investor with a prospectus under the Applicable Securities Laws and, as a consequence of acquiring an Interest pursuant to such exemption, certain protections, rights, and remedies provided by the Applicable Securities Laws, including statutory rights of rescission or damages, may not be or may only be partially available to the Investor, or others for whom it is contracting

hereunder. Such persons may not receive information that would otherwise be required to be provided under the Applicable Securities Laws and the Company is relieved from certain obligations that would otherwise apply under the Applicable Securities Laws. The Investor acknowledges that the Investor is purchasing the Interest without being furnished any offering literature or prospectus other than the Memorandum, the LLC Agreement, and this Agreement. The Investor did not rely on any information whatsoever, except for the Memorandum, this Agreement, or the LLC Agreement, to make such decision and such materials were not accompanied by any advertisement, including, without limitation, in printed public media, radio, television, or telecommunications, including electronic display and the internet, or part of a general solicitation.

- i. The Investor acknowledges that it is not purchasing an Interest as a result of or subsequent to (i) any advertisement, article, notice, or other communication published in any newspaper, magazine, or similar media (including any internet site that is not password protected) or broadcast over television or radio, or (ii) any seminar or meeting whose attendees, including the Investor, had been invited as a result of, subsequent to or pursuant to the foregoing.
- j. The Company is not being registered, and the Manager does not have any intention of registering the Company, as an “investment company” as the term “investment company” is defined in Section 3(a) of the U.S. Investment Company Act of 1940, as amended (the “*Investment Company Act*”). Neither the Manager, the Investment Manager, nor their respective officers, directors, managers, stockholders, members, partners, affiliates, or employees, nor any other person selected by the Manager to act as agent or adviser of the Company with respect to managing the affairs of the Company

is currently intended to be registered as an investment adviser under the U.S. Investment Advisers Act of 1940, as amended (the “*Advisers Act*”).

- k. The purchase of an Interest by the Investor is consistent with the general investment objectives of the Investor. The Investor hereby acknowledges that it has not relied on the Manager, the Investment Manager, or any of their respective officers, directors, managers, stockholders, members, partners, affiliates, or employees for investment advice with respect to an investment in the Company.
- l. The Investor’s full legal name, true, and correct address of residence (for individuals) or principal place of business (for entities), phone number, fax number, electronic mail address, United States taxpayer, passport or other identification number (each, if applicable), and other contact information are provided in this Agreement.
- m. The Investor received the Memorandum, this Agreement, and the LLC Agreement and first learned of the Company in the jurisdiction listed as the address of the Investor set forth this Agreement and intends that the Applicable Securities Laws of that jurisdiction alone shall govern this transaction. If the Investor is not a resident of the United States, the Investor understands that it is the responsibility of the Investor to satisfy itself as to full observance of the laws of any relevant territory outside of the United States in connection with the offer and sale of the Interests, including obtaining any required governmental or other consent or observing any other applicable formalities.
- n. The execution and delivery of the LLC Agreement and this Agreement, the consummation of the transactions contemplated thereby and the performance of the obligations thereunder will not conflict with or result in any violation of or default

under any provision of any other agreement or instrument to which the Investor is a party or any license, permit, franchise, judgment, order, writ or decree, or any statute, rule, or regulation, applicable to the Investor.

- o. No suit, action, claim, investigation, or other proceeding is pending or, to the best of the Investor's knowledge, is threatened against the Investor that questions the validity of the LLC Agreement or this Agreement or any action taken or to be taken pursuant to the LLC Agreement or this Agreement.
- p. The Investor has full power and authority to make the representations referred to in this Agreement, to purchase an Interest pursuant to this Agreement and the LLC Agreement, and to deliver and perform its obligations under the LLC Agreement and this Agreement. The LLC Agreement and this Agreement create valid and binding obligations of the Investor and are enforceable against the Investor in accordance with their terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, arrangement, moratorium, or other similar laws affecting creditors' rights, and subject to general equity principles and to limitations on availability of equitable relief, including specific performance.
- q. The Investor acknowledges that the Investor understands the meaning and legal consequences of the representations and warranties made by the Investor herein. Such representations and warranties are complete and accurate, shall be complete and accurate at the time of the Closing and may be relied upon by the Company, the Manager, the Investment Manager, and Company Counsel. Said representations and warranties shall survive delivery of this Agreement and the LLC Agreement. If in any respect such information shall not be complete and accurate prior to the time of the Closing, the Investor shall give immediate written notice of such

incomplete or inaccurate information to the Manager, specifying which representations or warranties are not complete and accurate and the reasons therefor. In the event that after the time of the Closing the Investor becomes aware that any of the representations and warranties made by the Investor herein become incomplete or inaccurate as of such time, the Investor shall give immediate written notice of such incomplete or inaccurate information to the Manager, specifying which representations or warranties are not complete and accurate and the reasons therefor.

- r. The Investor hereby agrees to indemnify and hold harmless the Company, Company Counsel, the Investment Manager, the Manager, and each partner, shareholder, member, managing director, manager, director, officer, consultant, agent, affiliate, or employee thereof (each, an "*Indemnified Party*") from and against any and all loss, damage, or liability due to or arising out of any inaccuracy or breach of any representation or warranty of the Investor or failure of the Investor to comply with any covenant or agreement set forth herein or in any other document furnished by the Investor to any Indemnified Party specifically supplementing the information in this Agreement. The Investor shall reimburse each Indemnified Party for its legal and other fees and expenses (including the cost of any investigation and preparation) as they are incurred in connection with any such claim, action, proceeding, or investigation. The reimbursement and indemnification obligations of the Investor under this paragraph shall survive any Closing applicable to the Investor (or, if this Agreement is terminated, such termination) and shall be in addition to any liability which the Investor may otherwise have (including, without limitation, liabilities under the LLC Agreement), and shall be binding and inure to the benefit of any successors, assigns, heirs, estates, executors, administrators, and personal representatives of the Indemnified Parties.

- s. The Investor confirms that the Investor has been advised to consult with the Investor's attorney regarding legal matters concerning the Company and to consult with independent tax advisers regarding the tax consequences of investing in the Company. The Investor acknowledges that it understands that any anticipated United States federal or state income tax benefits may not be available and, further, may be adversely affected through adoption of new laws or regulations or amendments to existing laws or regulations. The Investor acknowledges and agrees that the Company is providing no warranty or assurance regarding the ultimate availability of any tax benefits to the Investor by reason of the Investor's investment in the Company. The Investor has consulted with, and relied solely upon, its own accountant or tax advisors in connection with its decision to acquire an Interest.
- t. The Investor understands that information relating to the Investor shall appear on the financial statements and other records of the Company. The Investor acknowledges and agrees that other Members may receive such information as permitted by the LLC Agreement or as required by applicable laws and may share such information with their advisors and other parties.
- u. The following representations are included with the intention of enabling the Company to qualify for the benefit of a "safe harbor" under Treasury Regulations from treatment of the Company as an entity subject to corporate income tax. *Either*:
 - i. The Investor is not a partnership, grantor trust, or Subchapter S corporation for U.S. federal income tax purposes, or
 - ii. The Investor is a partnership, grantor trust, or Subchapter S corporation for U.S. federal income tax purposes, but (1) at no time during the term of the Company will 65% or more of

the value of any beneficial owner's direct or indirect interest in the Investor be attributable to the Investor's interest in the Company, (2) less than 65% of the value of the Investor is attributable to the Investor's interest in the Company, and (3) permitting the Company to satisfy the 100-partner limitation set forth in Section 1.7704-1(h)(1)(ii) of the Treasury Regulations is not a principal purpose of any beneficial owner of the Investor in investing in the Company through the Investor.

If the Investor is unable to make either of such representations, the Investor hereby agrees to provide the Manager, prior to the effective date of the purchase of an Interest, with evidence (including opinions of counsel, if requested) satisfactory in form and substance to the Manager relating to the status of the Company under Section 7704 of the U.S. Internal Revenue Code of 1986, as amended (the "*Code*"). Further, if at any time after the effective date of the purchase of an Interest the Investor can no longer make either of such representations, the Investor shall promptly notify in writing the Manager.

- v. The Investor understands and agrees that the Manager may cause the Company to make an election under Section 754 of the Code or an election to be treated as an "electing investment partnership" for purposes of Section 743 of the Code. If the Company elects to be treated as an electing investment partnership, the Investor shall cooperate with the Company and the Manager to maintain that status and shall not take any action that would be inconsistent with such election. Upon request, the Investor shall provide the Manager with any

information necessary to allow the Company to comply with (a) its obligations to make tax basis adjustments under Sections 734 or 743 of the Code and (b) its obligations as an electing investment partnership.

- w. The Investor has carefully reviewed and understands the various risks of an investment in the Company, as well as the fees and conflicts of interest to which the Company is subject, as set forth in this Agreement, the Memorandum, and the LLC Agreement. The Investor hereby consents and agrees to the payment of the fees so described to the parties identified as the recipients thereof, and to such conflicts of interest.
- x. The Investor is not subject to any of the “Bad Actor” disqualifications described in Rule 506(d)(1)(i) to (viii) under the Securities Act.

6. Anti-Money Laundering Regulations.

The Investor hereby acknowledges that the Manager and the Company’s intent is to comply with all applicable federal, state and local laws designed to combat money laundering and similar illegal activities, including the provisions of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (the “*USA PATRIOT Act*”). In furtherance of such efforts, the Investor hereby represents, covenants, and agrees that, to the best of the Investor’s knowledge based on reasonable investigation:

- a. None of the Investor’s capital contributions to the Company (whether payable in cash or otherwise) shall be derived from or related to money laundering or similar activities deemed illegal under U.S. federal laws and regulations.
- b. No contribution or payment by the Investor to the Company, to the extent that such contribution or payment is within such Investor’s control, and no

distribution to such Investor (assuming it is made with instructions provided to the Manager by such Investor) shall cause the Company, the Manager, the Investment Manager, or any of their respective officers, directors, managers, stockholders, members, partners, affiliates, or employees to be in violation of U.S. federal anti-money laundering laws, including without limitation the U.S. Bank Secrecy Act of 1970, the U.S. Money Laundering Control Act of 1986, the U.S. International Money Laundering Abatement and Financial Anti-Terrorism Act of 2001, or the USA PATRIOT Act or any other anti-money laundering laws or regulations, in each case, such statute as amended to date and any successor statute thereto and including all regulations promulgated thereunder.

- c. When requested by the Manager, the Investor will provide any and all additional information, and the Investor understands and agrees that the Manager may release confidential information about the Investor and, if applicable, any underlying beneficial owner or Related Person¹ to any person, deemed reasonably necessary to ensure compliance with all applicable laws and regulations concerning money laundering and similar activities. The Manager reserves the right to request any information as is necessary to verify the identity of the Investor and the source of any payment to the Company. ¹ With respect to any entity, a “*Related Person*” shall mean any interest holder, director, senior officer, trustee, beneficiary or grantor of such entity; provided that in the case of any entity that is a publicly traded company or a tax qualified pension or retirement plan in which at least 100 employees participate that is maintained by an employer that is organized in the U.S. or is a U.S. government entity (a “*Qualified Plan*”), the term “*Related Person*” shall exclude any interest holder holding less than 5% of any class of securities of such publicly traded company and beneficiaries of such Qualified Plan.

- d. Except as otherwise disclosed in writing to the Manager, the Investor represents and warrants that neither it, nor any person controlled by, controlling, or under common control with the Investor, any of the Investor's beneficial owners, any person for whom the Investor is acting as agent or nominee in connection with this investment, nor in the case of an Investor which is an entity, any Related Person is:

7. Withholding.

The Manager is required to withhold a certain portion of the taxable income and gain allocated or distributed to each

Investor unless the Investor provides documentation confirming that such Investor is not subject to withholding or is subject to a reduced rate of withholding.

The type of documentation required by the Investor is a function of whether the Investor is a Foreign Person. “*Foreign Persons*” include nonresident aliens, foreign corporations, foreign partnerships, foreign trusts, or foreign estates (as each of those terms is defined in the Code and Treasury Regulations). In the case of entities that are disregarded for purposes of U.S. tax law (e.g., fiscally transparent entities with a single owner that have not elected to be taxed as a corporation for U.S. tax purposes), such entities are treated as U.S. Persons⁷ or Foreign Persons depending on the residence and status of their owners, rather than on where the disregarded entities are organized. Thus, an investor that is a U.S. disregarded entity with a foreign owner will generally be treated as a Foreign Person. An investor that is a foreign disregarded entity with a U.S. owner will generally be treated as a U.S. Person.

If the Investor is a U.S. Person, please complete the Certification of Non-Foreign Status and Substitute Form W-9 attached as *Appendix B* hereto. Such Investor agrees to notify the Manager within 60 days if the Investor ceases to be a U.S. Person. If the Investor is a Foreign Person, please complete the applicable U.S. Internal Revenue Service Form (Form W-8BEN, Form W-BEN-E, Form W-8ECI, Form W-8EXP, or Form W-8IMY) and provide any required withholding certificates or additional information and documentation, as detailed in the printed instructions accompanying such form.

⁷ “*U.S. Person*” means an individual who is a citizen of the U.S. or a resident alien for U.S. federal income tax purposes; a corporation, an entity taxable as a corporation, or a partnership created or organized in or under the laws of the U.S. or any state or political subdivision thereof or therein (including the District of Columbia); an estate, the income of which is subject to U.S. federal income taxation regardless of its source; or a trust if (i) a court within the U.S. is able to exercise primary supervision over its administration and one or more U.S. Persons have the authority to control all of its substantial decisions or (ii) such trust was in existence on August 20, 1996 and was treated as a domestic trust on August 19, 1996 and such trust has a valid election in effect under applicable Treasury Regulations to be treated as a U.S. Person.

If you are unsure as to which form to complete, please contact the Company for further instructions.

The Investor acknowledges and agrees that, in order to comply with the provisions of the U.S. Foreign Account Tax Compliance Act ("*FATCA*") and avoid the imposition of U.S. federal withholding tax, the Company and the Manager may from time to time require further information or documentation from the Investor and, if and to the extent required under *FATCA*, the Investor's direct and indirect beneficial owners (if any), relating to or establishing such person's identity, residence (or jurisdiction of formation) and income tax status, and may provide or disclose such information and documentation to the U.S. Internal Revenue Service. The Investor agrees that it shall provide such information and documentation concerning itself and its beneficial owners (if any), as and when requested by the Company or the Manager sufficient for the Company to comply with its obligations under *FATCA*. The Investor hereby agrees to indemnify and hold harmless the Company from any and all withholding taxes, interest, penalties, and other losses or liabilities suffered by the Company on account of the Investor not providing all requested information and documentation in a timely manner.
